SECTION 1. INTRODUCTION AND BACKGROUND

This Monthly Status Report (MSR) is submitted in accordance with Performance Work Statement (PWS) Sections 5.4 and 6.1.1(e), Contract M0026426R0001, Sergeant Merlin German Wounded Warrior Outreach and Resource Support Services. The reporting period is 01–31 July 2027. This report covers Option Period One, Month 5.

The contractor supports the WWR Recovery Care Program through the Wounded Warrior Call Center (WWCC) and satellite Contact Centers at MCB Camp Lejeune, NC and MCB Camp Pendleton, CA. Five Field Service Representatives provide geographically dispersed complex non-medical case management across the continental United States. The supported population is approximately 35,000 WII Marines, Sailors attached to Marine units, and their family members.

SECTION 2. PROGRAM MANAGEMENT (TASK 1)

2.1 Program Manager Activities

The PM was available during core hours throughout the reporting period. The PM coordinated the mandatory reporting event on 9 July 2027, notifying the COR and local authorities within the required timeframe. The PM also oversaw implementation of Modification 0001 (executed 18 July 2027), which added one NMCM position to the WWCC effective 28 July 2027, and coordinated Independence Day COOP procedures with COR concurrence for 4 July 2027.

2.2 Deliverables Status

Deliverable	Due Date	Submitted	Status
Monthly Status Report	10 August 2027	10 August 2027	On Time
Monthly Demographics Report	10 August 2027	10 August 2027	On Time

SECTION 3. CALL CENTER SUPPORT (TASK 2)

3.1 Contact Volume and Channel Distribution

The WWCC operated 0800–2000 ET throughout the reporting period, including 4 July 2027 (Independence Day), in accordance with PWS Section 6.2 and the contractor's approved holiday coverage plan. The COR approved COOP telework operations for 4 July 2027. Total contact volume decreased 8.1 percent versus June 2027, consistent with seasonal patterns and holiday availability of RSMS.

Channel	Count	Pct.	Notes
Outbound telephone calls	1,003	49.5%	Seasonal decrease; holiday period
Inbound telephone calls	752	37.1%	Slight decrease vs. June
Email communications	179	8.8%	Normal range
Text messages	68	3.4%	Normal range

Social media engagement	25	1.2%	Facebook 18, Instagram 7
TOTAL	2027	100%	All WWCC communication channels

3.2 Call Log Accuracy

PWS Section 5.4 requires 98 percent accuracy of all call log references. During the reporting period, the contractor's Quality Control process reviewed a statistically valid random sample of 230 call log entries. Results are presented below.

Metric	Threshold	Actual
Call logs sampled	N/A	230
Entries without errors	N/A	228
Entries with substantive errors	N/A	2
Call log accuracy rate	98.0%	99.1%

3.3 Outreach Compliance by Injury Classification

PWS Section 5.1 specifies outreach frequency requirements by injury classification category. The Acceptable Quality Level (AQL) is 98 percent. Table 3-3 summarizes compliance for the reporting period. Contact is defined as actual communication – telephone, text, or email – with the Marine, Sailor, or family member, documented in MCWIITS.

Classification	Req. Frequency	Target	Actual	Pct.	Status
Very Seriously Injured (VSI)	Every 6 months	18	18	100%	MEETS STANDARD
Seriously Injured (SI)	Every 12 months	41	41	100%	MEETS STANDARD
Not Seriously Injured (NSI)	Needs ID'd	–	312	N/A	ACTIVE
IDES Participants	Referral + culmination	24	24	100%	MEETS STANDARD
TDRL / PDRL	Every 120 days	87	87	100%	MEETS STANDARD
Assessment – all contact	Every contact	1,847	1,847	100%	MEETS STANDARD

3.4 Intake and Referral Activity

CCRs conducted structured assessments during every contact in accordance with PWS Section 5.2.1. Intake and referral activity for the reporting period is presented below.

Category	Count	Notes
New intakes – CCR-level support	158	Seasonal decrease vs. June
Cases transferred to NMCM	38	Decreased; 4th NMCM onboarding 28 July
Active NMCM caseload (month-end)	136	Avg 34.0/NMCM with 4th NMCM; improving
Cases closed – CCR	112	Increased with added capacity
Cases closed – NMCM	47	Significant clearance with Mod 0001 NMCM
Referrals – VA Transition Case Mgmt.	21	Normal range
Referrals – non-profit / community	44	Normal range

Referrals – behavioral health	17	Includes mandatory report follow-up
Mandatory reports filed (PWS 5.6)	1	Suicidal ideation – see Section 8

3.5 Social Media Monitoring

The contractor monitored Facebook and Instagram during WWCC operational hours (0800–2000 ET, Monday through Friday) in accordance with PWS Section 6.2.2. All social media requests received an initial engagement response within 60 minutes.

Platform	Engagements	Avg. Response	60-Min Compliance
Facebook	18	< 12 min	100%
Instagram	6	< 8 min	100%
TOTAL	24	< 11 min	100%

SECTION 4. CONTACT CENTER SUPPORT – MCB CAMP LEJEUNE (TASK 3)

The Camp Lejeune Satellite Contact Center operated Monday through Friday, 0800–1630 ET. All calls were forwarded to the WWCC during non-operational hours per PWS Section 6.3.2. No unplanned closures occurred.

Metric	Prior Month	This Month	Notes
Total contacts handled	381	396	Inbound + outbound
IDES participants contacted	9	11	Referral/culmination contacts
New intakes opened	28	31	Entered in MCWIITS
NMCM active caseload (month-end)	37	38	Non-complex cases
