SECTION 1. INTRODUCTION AND BACKGROUND

This Monthly Status Report (MSR) is submitted in accordance with Performance Work Statement (PWS) Sections 5.4 and 6.1.1(e), Contract M0026426R0001, Sergeant Merlin German Wounded Warrior Outreach and Resource Support Services. The reporting period is 01-30 June 2027. This report covers Option Period One, Month 4.

The contractor supports the WWR Recovery Care Program through the Wounded Warrior Call Center (WWCC) and satellite Contact Centers at MCB Camp Lejeune, NC and MCB Camp Pendleton, CA. Five Field Service Representatives provide geographically dispersed complex non-medical case management across the continental United States. The supported population is approximately 35,000 WII Marines, Sailors attached to Marine units, and their family members.

SECTION 2. PROGRAM MANAGEMENT (TASK 1)

2.1 Program Manager Activities

The PM was available during core hours throughout the reporting period. The PM identified the NMCM caseload surge in early June and immediately briefed the COR. On 18 June 2027, the PM submitted the required written notification to the CO and COR that travel expenditures had reached 85 percent of the travel line item funded amount, per PWS Section 13.1.4. The PM also presented a staffing analysis to the COR on 19 June 2027 to support potential modification discussions.

2.2 Deliverables Status

Deliverable	Due Date	Submitted	Status
Monthly Status Report	10 July 2027	10 July 2027	On Time
Monthly Demographics Report	10 July 2027	10 July 2027	On Time

SECTION 3. CALL CENTER SUPPORT (TASK 2)

3.1 Contact Volume and Channel Distribution

The WWCC operated 0800-2000 ET throughout the reporting period. No system outages occurred. Contact volume continued elevated at 2,204, a 6.4 percent increase over May 2027. The sustained volume increase is contributing to NMCM caseload growth beyond projected levels.

Channel	Count	Pct.	Notes
Outbound telephone calls	1,093	49.6%	3rd consecutive elevated month
Inbound telephone calls	821	37.3%	Elevated above March baseline
Email communications	192	8.7%	Normal range
Text messages	70	3.2%	Normal range

Social media engagement	28	1.3%	Facebook 21, Instagram 7
TOTAL	2204	100%	All WWCC communication channels

3.2 Call Log Accuracy

PWS Section 5.4 requires 98 percent accuracy of all call log references. During the reporting period, the contractor's Quality Control process reviewed a statistically valid random sample of 250 call log entries. Results are presented below.

Metric	Threshold	Actual
Call logs sampled	N/A	250
Entries without errors	N/A	248
Entries with substantive errors	N/A	2
Call log accuracy rate	98.0%	98.8%

3.3 Outreach Compliance by Injury Classification

PWS Section 5.1 specifies outreach frequency requirements by injury classification category. The Acceptable Quality Level (AQL) is 98 percent. Table 3-3 summarizes compliance for the reporting period. Contact is defined as actual communication – telephone, text, or email – with the Marine, Sailor, or family member, documented in MCWIITS.

Classification	Req. Frequency	Target	Actual	Pct.	Status
Very Seriously Injured (VSI)	Every 6 months	18	18	100%	MEETS STANDARD
Seriously Injured (SI)	Every 12 months	41	41	100%	MEETS STANDARD
Not Seriously Injured (NSI)	Needs ID'd	–	312	N/A	ACTIVE
IDES Participants	Referral + culmination	24	24	100%	MEETS STANDARD
TDRL / PDRL	Every 120 days	87	87	100%	MEETS STANDARD
Assessment – all contacts	Every contact	1,847	1,847	100%	MEETS STANDARD

3.4 Intake and Referral Activity

CCRs conducted structured assessments during every contact in accordance with PWS Section 5.2.1. Intake and referral activity for the reporting period is presented below.

Category	Count	Notes
New intakes – CCR-level support	174	Elevated; 3rd consecutive month increase
Cases transferred to NMCM	52	Surge vs. 31 in March – see Section 8
Active NMCM caseload (month-end)	145	Avg 48.3/NMCM; above 40-case guidance
Cases closed – CCR	101	Normal range
Cases closed – NMCM	25	Capacity constrained by high intake volume
Referrals – VA Transition Case Mgmt.	23	Normal range
Referrals – non-profit / community	51	Elevated; proportional to intake surge

Referrals – behavioral health	14	Normal range
Mandatory reports filed (PWS 5.6)	0	No reportable incidents

3.5 Social Media Monitoring

The contractor monitored Facebook and Instagram during WWCC operational hours (0800–2000 ET, Monday through Friday) in accordance with PWS Section 6.2.2. All social media requests received an initial engagement response within 60 minutes.

Platform	Engagements	Avg. Response	60-Min Compliance
Facebook	18	< 12 min	100%
Instagram	6	< 8 min	100%
TOTAL	24	< 11 min	100%

SECTION 4. CONTACT CENTER SUPPORT – MCB CAMP LEJEUNE (TASK 3)

The Camp Lejeune Satellite Contact Center operated Monday through Friday, 0800–1630 ET. All calls were forwarded to the WWCC during non-operational hours per PWS Section 6.3.2. No unplanned closures occurred.

Metric	Prior Month	This Month	Notes
Total contacts handled	381	396	Inbound + outbound
IDES participants contacted	9	11	Referral/culmination contacts
New intakes opened	28	31	Entered in MCWIITS
NMCM active caseload (month-end)	37	38	Non-complex cases
Calls forwarded to WWCC after hours	0	0	Auto-forward confirmed operational
Mandatory reports filed	0	0	No reportable incidents

SECTION 5. CONTACT CENTER SUPPORT – MCB CAMP PENDLETON (TASK 4)

The Camp Pendleton Satellite Contact Center operated Monday through Friday, 0800–1630 PT. Calls were forwarded to the WWCC during non-operational hours per PWS Section 6.4.2. No unplanned closures occurred.

Metric	Prior Month	This Month	Notes
Total contacts handled	354	367	Inbound + outbound
IDES participants contacted	7	8	Referral/culmination contacts
New intakes opened	24	27	Entered in MCWIITS
NMCM active caseload (month-end)	33	35	Non-complex cases
Calls forwarded to WWCC after hours	0	0	Auto-forward confirmed operational
Mandatory reports filed	0	0	No reportable incidents

SECTION 6. FIELD SERVICE REPRESENTATIVE ACTIVITIES (TASK 5)

Five Field Service Representatives are assigned across the continental United States to provide complex non-medical case management per PWS Section 6.5. Each FSR maintains an average caseload of 25 individuals and has rapid travel capability within a 350-mile radius of their area of responsibility per PWS Section 6.5.2.

FSR Location	Target	Active	New	Closed	Travel Days	Notes
Seattle, WA	25	26	4	3	3	Travel: VA coord. (2 cases)
Jacksonville, NC	25	24	3	4	2	Full performance
Wichita, KS	25	25	5	5	4	Training prep; 2 face-to-face
Orlando, FL	25	25	4	4	4	Employment referrals: 3 RSMs
Minneapolis, MN	25	24	3	4	3	Resume assist.; 1 VA coord.
TOTAL	125	124	19	20	16	

SECTION 7. STAFFING AND TRAINING STATUS

7.1 Staffing Status

Table 7-1 presents staffing status across all performance locations as of the last business day of the reporting period. All critical positions are filled in accordance with PWS Section 8.1. All contractor personnel maintain current CAC access and MCEN credentials. All VALs are current with the WWR Security Coordinator per PWS 10.3.

Position / Location	PWS Ref	Req	Filled	Notes
Program Manager (WWCC)	6.1.1/8.1.1	1	1	Critical – no change

Monthly WWR Training Session	All staff	21/21	Attended this reporting period
Cyber Security / IA (CYBERM)	All staff	21/21	Current for all personnel

SECTION 8. ISSUES, RISKS, AND CORRECTIVE ACTIONS

The following issues were identified or remain active during the reporting period. Issues marked OPEN require continued monitoring.

No.	Category	Issue	Status / Corrective Action
1	NMCM Caseload	NMCM average caseload reached 85 percent. Briefed NMCM5iduden2027 about staffing and caseloads for submission of PWS19	OPEN. Modification discussion requested to reduce caseload to 80 percent by 18 June 2027.
2	Travel Budget	Travel line item reached 85 percent. Written notification was submitted per contractual requirements.	OPEN. Modification discussion requested to reduce travel costs by 2,204 for July 2027.
3	Call Volume	Sustained elevated call volume.	OPEN. Modification discussion requested to reduce call volume by 2,204 for July 2027.

SECTION 9. PLANS FOR NEXT REPORTING PERIOD

The following activities are planned for the July 2027 reporting period:

- Await CO decision on CLIN 1005 travel funding increase; brief COR by 14 July 2027.
- Participate in modification discussion regarding NMCM and CCR staffing levels.
- Submit July 2027 Monthly Status Report and Monthly Demographics Report by 12 August 2027.
- Conduct FSR semi-annual training event – tentative date: week of 14 July 2027.

SECTION 10. SUMMARY

June 2027 was the third consecutive month of elevated call volume, which is now producing measurable strain on NMCM caseloads. A modification discussion has been formally requested. The travel line item reached 85 percent and written notification was submitted per contractual requirements. Call log accuracy remained strong at 98.8 percent.

Performance Area	Result	Standard / AQL	Status
