SECTION 1. INTRODUCTION AND BACKGROUND

This Monthly Status Report (MSR) is submitted in accordance with Performance Work Statement (PWS) Sections 5.4 and 6.1.1(e), Contract M0026426R0001, Sergeant Merlin German Wounded Warrior Outreach and Resource Support Services. The reporting period is 01-30 November 2027. This report covers Option Period One, Month 9.

The contractor supports the WWR Recovery Care Program through the Wounded Warrior Call Center (WWCC) and satellite Contact Centers at MCB Camp Lejeune, NC and MCB Camp Pendleton, CA. Five Field Service Representatives provide geographically dispersed complex non-medical case management across the continental United States. The supported population is approximately 35,000 WII Marines, Sailors attached to Marine units, and their family members.

SECTION 2. PROGRAM MANAGEMENT (TASK 1)

2.1 Program Manager Activities

The PM was available during core hours throughout the reporting period. The PM managed two mandatory reporting events on 7 November and 19 November 2027, coordinating COR notification and local authority referrals in both cases per PWS Section 5.6. The Wichita FSR replacement was successfully onboarded 24 November 2027. The PM submitted the holiday/continuity of operations plan for COR review and approval on 21 November 2027 in advance of Thanksgiving and Christmas holiday periods.

2.2 Deliverables Status

Deliverable	Due Date	Submitted	Status
Monthly Status Report	10 December 2027	10 December 2027	On Time
Monthly Demographics Report	10 December 2027	10 December 2027	On Time

SECTION 3. CALL CENTER SUPPORT (TASK 2)

3.1 Contact Volume and Channel Distribution

The WWCC operated 0800-2000 ET throughout the reporting period. No system outages occurred. The backup phone system was tested and confirmed operational. Contact volume and channel distribution for the reporting period are presented below.

Channel	Count	Pct.	Notes
Outbound telephone calls	1,012	49.5%	Pre-holiday increase
Inbound telephone calls	748	36.6%	Normal range
Email communications	182	8.9%	Normal range
Text messages	74	3.6%	Normal range

Social media engagement	29	1.4%	Facebook 22, Instagram 7
TOTAL	2045	100%	All WWCC communication channels

3.2 Call Log Accuracy

PWS Section 5.4 requires 98 percent accuracy of all call log references. During the reporting period, the contractor's Quality Control process reviewed a statistically valid random sample of 232 call log entries. Results are presented below.

Metric	Threshold	Actual
Call logs sampled	N/A	232
Entries without errors	N/A	229
Entries with substantive errors	N/A	3
Call log accuracy rate	98.0%	98.5%

3.3 Outreach Compliance by Injury Classification

PWS Section 5.1 specifies outreach frequency requirements by injury classification category. The Acceptable Quality Level (AQL) is 98 percent. Table 3-3 summarizes compliance for the reporting period. Contact is defined as actual communication – telephone, text, or email – with the Marine, Sailor, or family member, documented in MCWIITS.

Classification	Req. Frequency	Target	Actual	Pct.	Status
Very Seriously Injured (VSI)	Every 6 months	18	18	100%	MEETS STANDARD
Seriously Injured (SI)	Every 12 months	41	41	100%	MEETS STANDARD
